EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 37, line 1, delete "36" and insert "33".

This amendment is necessary because claim 37 depends upon canceled claim 36.

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

It does not identify the citizenship of each inventor. Further, the Declaration filed 28 September 1998, page 1, lists --Alex Nikolov-- as an inventor. However, the Declaration does not identify the city and either state or foreign country of residence of each inventor.

The residence information may be provided on either an application data sheet or supplemental oath or declaration.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ellen M. McAvoy whose telephone number is (571) 272-1451. The examiner can normally be reached on M-F (7:30-5:00) with alt. Fridays off.
